Sackets Harbor Interim Chamber of Commerce Meeting:

A Message From Your President

Last month our newsletter focused on many of the successes we have achieved this past year. This month we take the recognition a step further to acknowledge each and every person, and organization, who has helped us this year. As you will see, there are many of you. Your contribution was noticed and appreciated. A sincere **"Thank you"** for all that you have done! *If somehow we overlooked your name or business, please accept our deepest apologies. We have tried in earnest to include the entire list for the full year.*

Last month we also focused on committees...encouraging members to get involved - **and you did!** There were many committees that held their first meetings and set agendas for the coming year. How exciting it is to see the interest and involvement by so many.

In next month's issue we will outline some of those for you. I wish you a very Merry Christmas, a happy holiday season and a very prosperous new year.

Cheryl Payne
