Keeping the Greater Sackets Harbor Community Informed!

Chamber Message!

It's time again for the Annual Meeting and a chance to thank all those who have contributed to the chamber this past year. Thank you to all members who paid their dues, to everyone who served on a committee, helped with an event, hosted a Meet 'n Greet, represented the chamber at Village and Town meetings, expos and workshops, gave visitors tours of the community, met with other organizations, and of course supporting each other's places of business. A special thank you to the board of directors and in particular our president, Vicki DiCenzio, who (due to a job opportunity) moved away this past fall. Vicki was a great ambassador, had a cheerful demeanor, was a participant at all events and activities. She was a good leader and we miss her. We have 15 people who are willing to take a leadership role this year. We have several other members who are chairing committees and others who are participating in many different ways. The chamber membership is growing and is taking a very pro-active approach to community development, membership benefits and more effective marketing initiatives. Get involved. You will be glad you did! Thank you to Mike Campbell and Corey Lawler for their special presentation of the Madison Barracks Development project. It was very informative. We also say goodbye to chamber members Roy and Pat of Willoughbys on the Bay. They have relocated their business to Mt. Dora, FL. We wish them much success.

Dear Sackets Harbor Chamber of Commerce Members,

We would like to thank each of you who attended the February Meet & Greet at the Sarah Beth Guest House.

It was a great evening and we so appreciate all of your support and interest.

Many of you had not seen the inside of the building or realized what the "Guest House" is about so it was a perfect opportunity for us to acquaint our neighbors with what we do.

Thanks again for giving up a bit of your Thursday evening and stopping in.

Kind Regards,
Andy Hanzilan & Lin Hall
