## Caregivers

**Caregivers is a unique, confidential, local support system for anyone who is taking care of a loved one dealing with chronic illness, a disability or problems associated with aging.**

Our goal is to keep you, the caregiver, physically healthy and emotionally strong so you can do a job that can be very stressful and all consuming. Some of the ways the group can help is show you how you can:

- Reduce stress or tension
- Stay healthy by making the Mind/Body connection
- Learn when & how to ask for help
- Deal with "Bad" feelings (guilt, anger) in a safe setting
- Discover the positives of change
- Gain insight from guest speakers
- Look to the future

The group meets the second Monday of every month from 5:30 - 6:30 p.m.

Hay Memorial Library (upstairs)

105 South Broad Street, Sackets Harbor, NY .

For more information

call Melodie at 646-2130 or Beth at 788-9430

The Friends of Muskalonge Cemetery will continue restoration efforts into 2012. For several years, the Friends Group have been working diligently to restore the stones to their upright positions in this (once) vandalized cemetery. If you are interested in becoming a Friends Group member, contact representative Beverly K. Sterling-Affinati by phone or email (contact information on right). You may also contact any Friends Group member listed here for more information on work parties being held at Muskalonge Cemetery. We appreciate your interest and concern in restoring these hallowed grounds.
